

Oct 2002: Exposure Risks for Schools during PAM Aerial Spray Campaign

October 2002: Updated Report. Exposure Risks for Schools during the Painted Apple Moth Aerial Spray Programme.

(pdf file)

Hana Blackmore, Meriel Watts, Meredith Youngson, Glenys Bean for the Painted Apple Moth Community Coalition – CC-PAM. October 2002.

Open letter and updated 2001 Report to parents, schools and childcare establishments in the exposed West Auckland spray zone. Details what is, and what is not, being revealed about the exposure risks and unique hazards faced by children. Outlines prudent actions that should be taken to protect them.
