

PAM Community Network

The PAM (Painted Apple Moth) Community Network was formed to set up and co-ordinate the People's Inquiry. The Network comprises representatives from nine community groups that were actively involved in the six year PAM eradication campaign.

PAN-ANZ Pesticide Action Network Aotearoa New Zealand - established 1985

STOP Society Targeting Overuse of Pesticides - established 1996

CC-PAM Painted Apple Moth Community Coalition - established 2001

PAM-CAG Painted Apple Moth Community Advisory Group - established 2001

WASP West Aucklanders against Aerial Spraying - established 2001

SAS Stop Aerial Spraying - established 2002

GASP Group against Spraying People - established 2002

Sprayfree Coalition - established 2002

TASK Teachers Against Spraying Kids - established 2003
